Talofa! Hello from Samoa!

The month of November is here already today is the 6th. We want to catch you up for all that God did last month! We purchased the water tank! What a blessing to the remote village of Samamea! Thank you so much for all the prayers and support. You are the reason we can do what we do.

White Sunday in Samoa is a celebration for children it is the second Sunday in October and we had the opportunity to give gifts on Sunday to the children at Great Harvest Church of God. Then we donated shoes to At His Word Ministries. What a wonderful time! It is a national holiday in Samoa that Sunday and following Monday. We had the privilege of going on picnic to the beach with At His Word Ministries.

The children at Great Harvest Church of God from the youth to toddlers did the entire service. Worship word and more worship. Then they did Bible verses, skits, dancing and singing. We so enjoyed the joy the love and celebration of children. October has been just that a celebration of children.

But Jesus said, **Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven.** Matthew 19:14

We continue our weekly ministries at the schools and at Campus of Hope. God has blessed us with leading so many children to Jesus this last month. Some stories we can't tell because of the nature of the situation. Just know that salvation is happening along with some healed hearts.

Counseling teens, adults just listening and loving and giving hope! Our hope is in Jesus! Take time and God will show you who, when and where to minister! At times it is overwhelming but then you hear the sincere prayer of repentance and follow up and see the change! Now that is just Jesus!

We were asked to be part of an outreach by bringing balloons. The Child Evangelism Fellowship director had also asked our church to be involved. Our church helped us blow up over 1000 balloons. The expectation was for up to 1500 children. Approximately 600 attended the event. Over 120 children responded to the gospel message presented in balloons. We were told we had a balloon house! There was even a parade for the event. You see Great Harvest Church of God with the banner!

With your help we have purchased more shoes, purchased a water tank for remote village. We hope to purchase chicken for families during Christmas season. Currently the island is out of rice due to shipping issues. Hoping to have more coming in the end of November. Praise God we had some set aside so we can still help families in need.
