Greetings from Samoa,

It is September 2, 2021 here in Samoa the time has gone by so fast. Once again the favor of God has gone before us. Because of your prayers and financial support we have been able to continue to do outreaches in the community and within Great Harvest Church of God.

God put it on our hearts to organize and facilitate a marriage retreat for the couples in our church. What a wonderful time with the theme "Better Together". Our friends Apostle Misa Sabbath and his wife Pastor Ruby Sabbath spoke from the word and with cultural understanding. The fruit and testimonies continue even after the retreat. Lives were changed and souls saved! Our favorite part was the laughter! Not fully understanding the language and yet love shown through!

Thank you for all your prayers our church has a new home. We no longer meet Sunday mornings on our porch but in a building the church rents. We continue to have home fellowship at our home on Wednesday nights

We continue to be active at Campus of Hope the SVSG, Samoa Victims Support Group. We were able to provide 79 pair of shoes to the children that are on campus. We also facilitated floral class with a teacher Joshua. The best part of the class was the worship!

We were able to provide 47 pair of shoes for a preschool that is community based and funded. Saoluafata is a small village away from the city. In September we are going back to that village and our outreach of Jesus Shoes and Balloons continue to the primary school.

Father's Day here was August 8th we were able to bless families in need for the holiday here in Samoa. We gave rice and tin fish to each father that was present. Now that the church has a home, Mindy is able to preach more in the community and the next few months we are hoping to go to the other side of the island as God leads.
