Talofa! Greetings from Samoa,

What a great month we have had. We have traveled around the island and to the other Samoan island of Savaii. God has truly gone before us and opened doors that only He could open. The gospel the good news! Jesus Loves You! He died for you to forgive your sins! To know that heaven will be eternity for them! Oh the joy we have experienced seeing souls saved! Captives set free! Discipleship!

Romans 10:14, 15 “ How then shall they call on Him in whom they have believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? 15 And how shall they preach unless they are sent? As it is written:

“How beautiful are the feet of those who preach the gospel of peace, Who bring glad tidings of good things!”

We had the privilege to be invited to a remote village Samamea with 8 families. We brought Jesus – Shoes – Balloons and Food! We are hoping to return in October. There are many needs and one is water. We are hoping to provide a water tank for the village. We have taken some clothing and food. The travel is a narrow road up the mountain then down into the area of the bay. It is absolutely beautiful it is a good hour and half drive for us to go.

We continue to minister at Campus of Hope our day changed from Tuesday to Monday. Jim is still reading and teaching the children. Mindy is part of team mentoring the girls. She has been able to share the gospel and 5 girls were saved recently. It has been wonderful !

More pictures from Samamea we are looking down from the top of the mountain. The village is on the very far end of the bay. We took nappies (diapers) and rice and noodles to all eight families. Since we have been there two babies have been born.

A trip to Savaii the other Samoa island. Not to be confused with American Samoa. We went to this school on the coast and had the opportunity to share the gospel with over 200 students. Then we spend time in two classrooms. Year 7 and year 8! So blessed so very very blessed.

Savaii Call to Prayer Samoa! Building relationships and making new friends on the “other” island. We traveled by ferry and had a different experience this time. We were stranded due to the weather. What a fruitful trip. We met Samoan missionaries from Papa New Guinea and met up with missionaries from Cook Islands. We ministered in two churches sharing testimony and were able to provide shoes for two vendors.

We have been overwhelmed by the goodness of God! We look forward to sharing a new video with you all be watching for the release. We are hoping to come to the US next year in May for 4 to 5 months. Samoa is a beautiful country and a religious country. The people are in need of a relationship with Jesus and Discipleship.

We do continue to be active in our host church and just this last Sunday they found a place to rent. We continue to have home fellowship in our home. Mindy has several services coming up in August. We are being invited to come back to so many churches and wanting to expand and go where we have not gone before.

We need your prayers as we continue where God has assigned us. Our Grandchildren and Great Grandchildren are growing up. Covid has effected many of our friends. One of our friends went home to be with the Lord he was only 62. So many lives have been changed. We are grateful that we are where there is no Covid. Other islands have been effected especially Fiji.

If you have time send us an email even to say hello. We still are unable to get mail from the USA only DHL and FedEx. We do miss our family and friends but we know that God has called us here and we are not moved by what we feel or see. We are trusting God in this journey and praying for souls.
