Talofa! Greetings from Samoa

Once again God continues to answer prayer and we are overwhelmed by His goodness. The love of God is never-ending, never fails and is ever present. We have seen souls saved, lives changed and continue to work sharing the gospel and discipleship.

I passed the Exhorter Exam! I had been putting it off and finally did it! I am sitting in our new office for the Church of God World Missions Samoa Outreach and Learning Center we call it SOLC because it is Soul Centered! We hope to have CAMS classes in the future and other classes too. We are trusting God in all those “next” steps.

The white bags of shoes reminded me of seed sacks that we used in North Dakota growing up. We are sowing seed and also seeing harvest. God is amazing.

Our home has become a place for home fellowship and with recent elections that are not settled yet. The venue the church rented is not available. So we are having church at our house. What a wonderful opportunity to see the Kingdom of God grow. Yes that is me at the microphone, I was just getting us started for the evening. We also have attended and ministered at various churches other than our sponsoring church. We attended Cornerstone, At His Word Church and Faith Hope and Love In Christ.

The pictures below are also one of the two schools we have adopted. Aele Fou Primary had an Easter program we were invited to. It was wonderful to see Jesus in the public schools here! No bunnies ,no baskets just JESUS. We were honored guest and sat with the community members committee.

We recently completed an event at St Paul’s Academy another public school. We were able to distribute 531 pair of shoes! The team were members of our sponsoring church Great Harvest Church of God. We have another scheduled outreach May 21st and will be purchasing 775 pair of shoes by faith!

Not pictured this month Campus of Hope and Samoa Victims Support Group.

Romans 8:38,39 For I am persuaded that neither death nor life, nor angels nor principalities nor powers, nor things present nor things to come, nor height nor depth, nor any other created thing, shall be able to separate us from the love of God which is in Christ Jesus our Lord.

If you have time send us an email even to say hello. We still are unable to get mail from the USA only DHL and FedEx. We do miss our family and friends but we know that God has called us here and we are not moved by what we feel or see. We are trusting God in this journey and praying for souls.
