Greetings from Samoa,

We are sitting here in Samoa with Praise! The month of September what a blessing it was! It is now the 3rd of October. Our hearts are full in what God is doing! Salvations, baptisms and discipleship and so much more.

Matthew 28:18-20 Jesus came and told his disciples, **“I have been given all authority in heaven and on earth. Therefore, go and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit. Teach these new disciples to obey all the commands I have given you. And be sure of this: I am with you always, even to the end of the age.”**

We presented Pastor Watti with his Ordained Ministers Certificate from Church of God. A precious moment of a journey that he has taken. He is the first Church of God pastor here on the island. The church is growing and we are seeing lives changed.

We celebrated Feast of Tabernacles with Supernatural Fellowship in there new Centre. Services nightly Wednesday to Friday. Then Saturday we participated in Samoa Call to Prayer all day on Saturday that week.

Manuia Fellowship the Monday evening Bible study through SSAB (Samoa Stationary and Business) had there retreat at Saletoga Sands. We were able to participate in altar service and share. We had a young lady that we had led to the Lord, she wanted Baptized so we did and three others joined her to be baptized!

We do continue to help families with food the need is great. We also resumed ministry with Faith Angels Foundation and had opportunity to minister at the hospital. Our weekly visits at Campus of Hope are our highlight for the week. We also continue teaching the word at the primary school, however they are on a two week break so we have had a little break.

Jesus, Shoes and Balloons how wonderful to share Jesus and build relationships! Oh the balloons are such a hit with kids and adults. We load the vehicle up and away we go. We have an outreach coming up with potential of 1500 children at the park with Child Evangelism Fellowship the end of October. Enjoy the pictures and be blessed! To see a child with new shoes is such a blessing.
